Please read and sign the Release, Waiver and Assumption of Risk Agreement, and (if applicant is 18 years of age or younger) the Parent Acknowledgement, Release and Agreement to indemnify.

The sport of cycling is organized by a group of volunteers in response to the needs and demands of those who wish to participate. These volunteers derive pleasure from overseeing events. However, because cycling has elements of risk, with the possibility of accidents, injury, and loss, the volunteer is vulnerable and has been target of lawsuits from people that they have volunteered to serve. This is not a satisfactory situation; taken to an extreme, all volunteers could withdraw their support and the organized sport would disappear. Volunteers are not expected under law to perform as professionals, but are required not to be negligent. Hence these volunteers and their organization need protection. For this reason Cycling Prince Edward Island (CPEI) members are required to waive their right of suit against the organization (CPEI). What follows is a legal waiver. In order to become a member of Cycling PEI, this waiver must be signed. No membership will be accepted without it. We ask that everyone make an effort to understand the waiver.

1. Release, Waiver and Assumption of Risk

I, _____, hereby acknowledge and agree that in consideration of being permitted to participate in the Cycling Programs or Activities organized or operated by the Canadian Cycling Association (CCA), Cycling Prince Edward Island (CPEI) and Associated cycling clubs (herein called "the Associations"):

1. I do hereby release the Association, their members, officers, directors, employees, independent contractors, and agents from all liability, and do hereby waive as against the Associations, their members, officers, directors, employees, independent contractors, and agents all resources, proceedings, claims and causes of action of any kind whatsoever, in respect to all personal injuries or property losses which I may suffer arising out of, or in connection with, my preparation for, or participating in the aforesaid Cycling Programs or Activities, not withstanding that such injuries or losses may have been caused solely or partly by negligence of the Associations or any of their members, their officers, directors, employees, independent contractors, and agencies.

2. I do hereby acknowledge and agree:

a) That the sport of cycling exposes participants to many risks and hazards, some of which are inherent in the very nature of the sport itself, others which may result from human error and negligence on the part of persons involved in preparing, organizing, and staging Cycling Programs and Activities.

b) That, as a result of aforesaid risks and hazards, I as a participant may suffer serious injury, even death, as well as primary loss.

c) That some of the aforesaid risks and hazards are foreseeable, but others are not.

d) That I nevertheless freely and voluntarily assume all the aforesaid risks and hazards, and that accordingly, my preparation for, and participation in the aforesaid Cycling Programs and Activities shall be entirely at my own risk.

e) That I understand that neither the Association nor any of their members, officers, directors, employees, independent contractors, and agents assume any responsibility whatsoever for my safety during the course of my preparation for or participation in the aforesaid Cycling Programs and Activities.

f) That I have carefully read this Release, Waiver and Assumption of Risk agreement, that I fully understand the same, and that I am freely and voluntarily executing the same.

g) That I understand clearly that by signing this release, I will be forever prevented from suing or otherwise claiming against the Association or any of their members, officers, directors, employees, independent contractors, and agents for any loss or damage connected with any property loss or personal injury that I may sustain while participating in or preparation for any of the above mentioned Cycling Programs or Activities whether or not such loss or injury is caused solely or partly by negligence of the Associations or any of their members, officers, directors, employees, independent contractors or agents.

h) That I have been given the opportunity and have been encouraged to seek independent legal advice prior to signing this agreement.

i) That I understand clearly that the Associations would not permit me to participate in any such Cycling Programs and Activities unless I signed this Release Waiver and Assumption of Risk agreement, that this Release Waiver and Assumption of Risk agreement applies to all the aforesaid Cycling Programs and Activities whether occurring in the near or distant future, and that the terms of this Agreement need not be brought to my attention each time I participate in a Cycling Program or Activity in order to be effective.

j) I give Cycling PEI permission to use any picture of myself taken at cycling activities.
